

STATE OF NEW YORK : DEPARTMENT OF HEALTH

IN THE MATTER

OF

JAMES V. MCDONALD, M.D., M.P.H., as Commissioner of
Health of the State of New York, to determine the action to be
taken with respect to:

JULIE DEVUONO,

arising out of alleged violations of Article 21 of the Public Health
Law of the State of New York and Title 10 (Health) of the Official
Compilation of Codes, Rules and Regulations of the State of
New York.

**STATEMENT
OF
CHARGES**

The Commissioner of Health of the State of New York, upon information and belief,
charges and alleges that:

1. Respondent Julie DeVuono is a natural person residing at [REDACTED]
[REDACTED] At all times relevant to Charges below,
Respondent was a principal and officer of Kids-On-Call Pediatric Nurse Practitioner, P.C.,
and was licensed by the New York State Department of Education as a Nurse Practitioner.
2. Kids-On-Call Pediatric Nurse Practitioner, P.C. ("Kids-On-Call") is a
Professional Corporation that at all times relevant to the Charges below, was located at 866
County Line Road, Amityville, New York 11701, and did business as Wild Child Pediatrics.
3. Respondent and Kids-On-Call advertised their business as an integrative
pediatric medical practice specializing in holistic and homeopathic medical care.
4. The New York State Immunization Information System ("NYSIIS") is an
electronic vaccination recording database maintained by the New York State Department of
Health ("Department"), to which health care providers are required, pursuant to New York
State Public Health Law ("PHL") §§ 2168(3)(a)(i) and (5)(a) and Section 66-1.2(c)(1) of Title

10 of the New York Codes, Rules and Regulations ("10 NYCRR"), to report vaccinations and related elements, including vaccine administration date, type, lot number, and manufacturer, they administered to patients under 19 years of age.

5. Respondent, between at least January 13, 2020, and December 15, 2021, reported in NYSIIS having administered at least 226 separate vaccinations to at least 26 pediatric patients when, in fact, they had not administered the reported vaccinations to these patients.

6. Attached hereto as Appendix 1 is a spreadsheet that identifies with specificity: (i) the initials of the patients for who Respondent falsely reported to NYSIIS having administered vaccinations; (ii) the vaccinations that Respondent falsely reported to NYSIIS were administered to each of these patients; and (iii) the date in which Respondent reported this false information to NYSIIS.

Charge (226 Counts):

The Respondent, as described in paragraph 5 above and Appendix 1, violated PHL §§ 2168(3)(a)(i) and (5)(a) and 10 NYCRR § 66-1.2(c)(1) on approximately 226 separate occasions when they falsely reported having administered a vaccination to at least 26 different patients. Each of the approximately 226 falsified reports constitutes a separate violation of the aforementioned laws and regulation for which a civil penalty may be assessed, pursuant to PHL §§ 12 and 206(4).

DATED: Albany, New York
May 31, 2024

JAMES MCDONALD, M.D., M.P.H.
Commissioner of Health
